DWA_03.4 Knowledge Check_DWA3.1

You can either use inline code, by putting backticks around parts of a line or you can use a code block.

_____

1. Please show how you applied a Markdown File to a piece of your code.

You add documentation comments directly to your source code, right alongside the code itself.

_____

2. Please show how you applied JSDoc Comments to a piece of your code.

The easiest way to enable type checking in a JavaScript file is by adding //@ts-check to the top of a file

_____

3. Please show how you applied the @ts-check annotation to a piece of your code.

_____

4. As a BONUS, please show how you applied any other concept covered in the 'Documentation' module.
